

Team of Destiny™ Explanation of "How the Money Works"

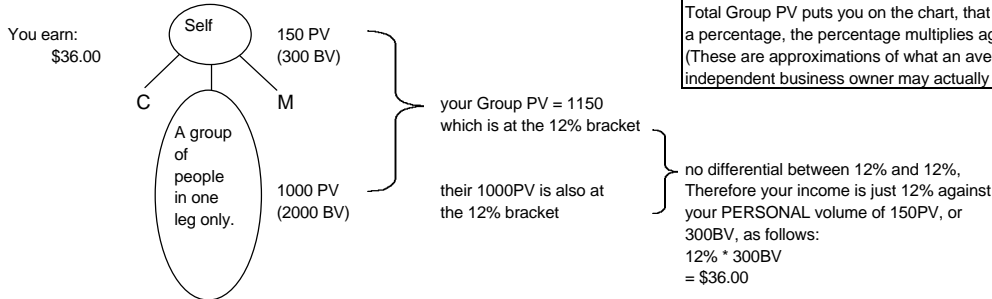

Case #1 Nobody Else on Your Team Except You

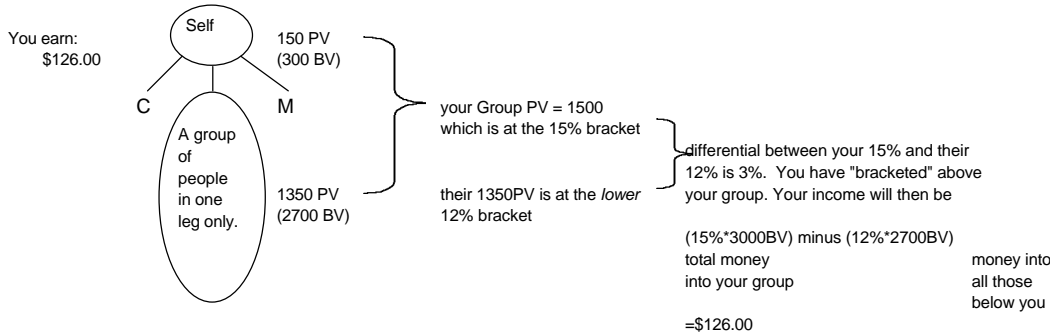

Performance Bonus Chart	
PV	% of your BV
7500	25
6000	23
4000	21
2500	18
1500	15
1000	12
600	9
300	6
100	3

Note: assume 1PV = 2BV
assume 1BV = \$1.00
Total Group PV puts you on the chart, that gets you a percentage, the percentage multiplies against group BV
(These are approximations of what an average independent business owner may actually experience)

Case #2 You are "One-Legged"

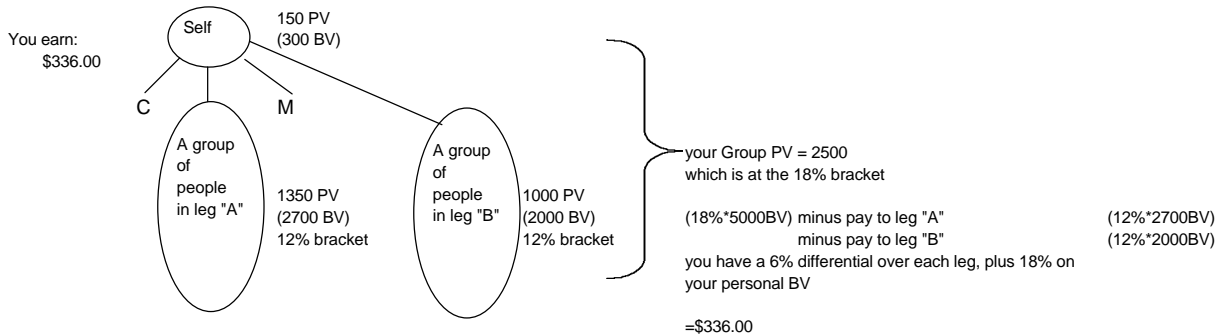

Case #3 You are "One-Legged" but "Bracket" ahead of the group

To qualify for differential bonuses you must have 50pv in member/client volume.

Case #4 You are "Two-Legged"

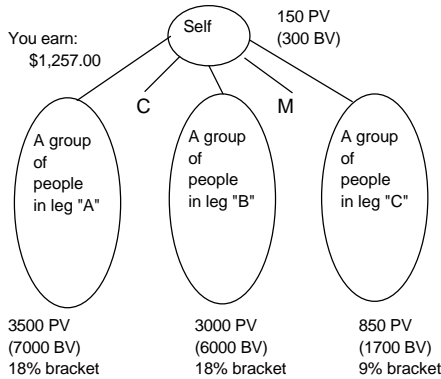

To qualify for differential bonuses you must have 50pv in member/client volume.

Team of Destiny™ Explanation of "How the Money Works"

Case #5
You are "Three-Legged"

your Group PV = 7500
which is at the 25% bracket

(25%*15000BV) minus pay to leg "A" (18%*7000BV)
minus pay to leg "B" (18%*6000BV)
minus pay to leg "C" (9%*1700BV)

you have a 7% differential over legs A and B and a 16% differential over leg C, plus 25% on your personal BV

= \$1,257.00

To qualify for differential bonuses you must have 50pv in member/client volume.

When this volume is maintained for 3 months, you begin to qualify for additional bonuses.

Full year income calculation for Case #5
